

Setting Up MCRO's LandLink for Marion County Offices

- Open Internet Explorer or your Internet Browser

- Click this link: <http://168.214.234.213/lrmpi/softwareinstaller.jsp>
- Click on the link to install the Printer Control

- Click the Run button on the next window

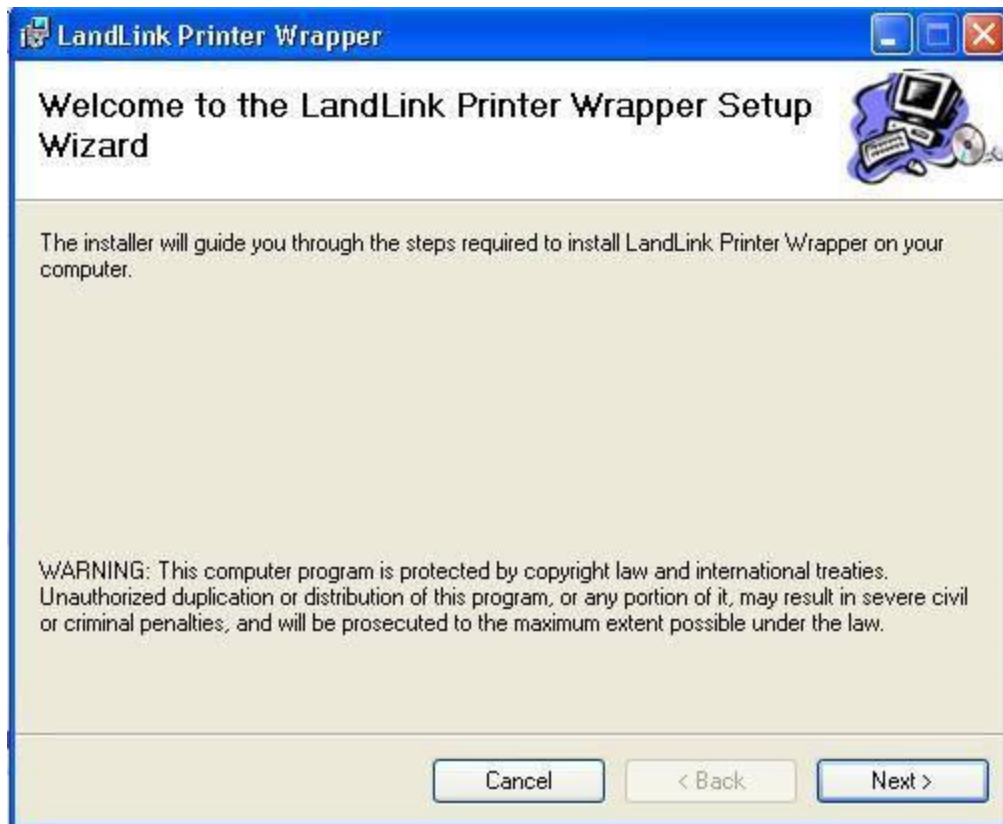

- The installer will begin running

- If this box comes up, just click the Run button again

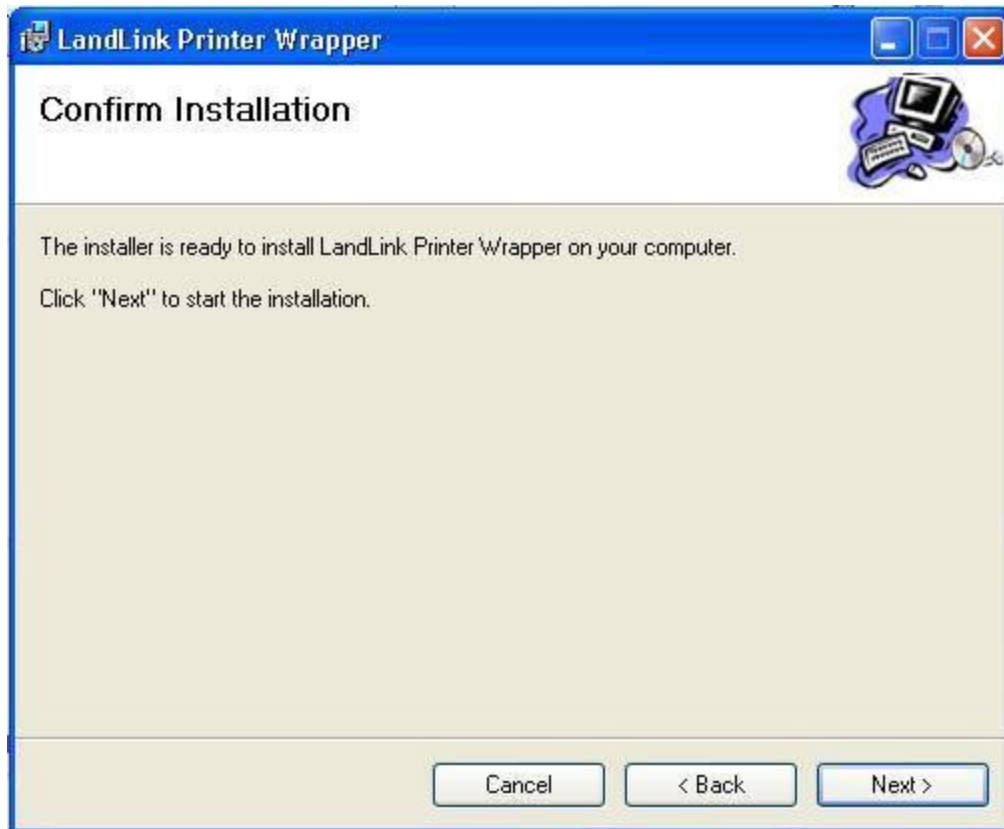

- At this point the LandLink Printer Wrapper Setup Wizard should come up and click Next

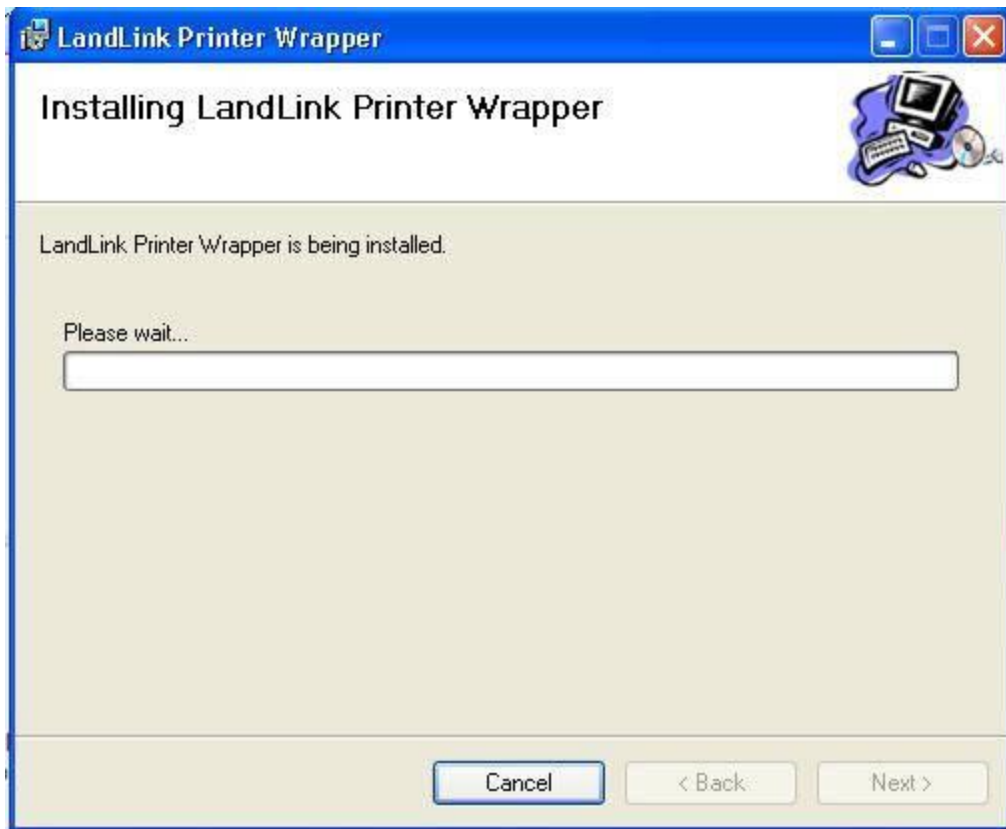

- For the Select Installation Folder a folder will be created for the program. Click Next

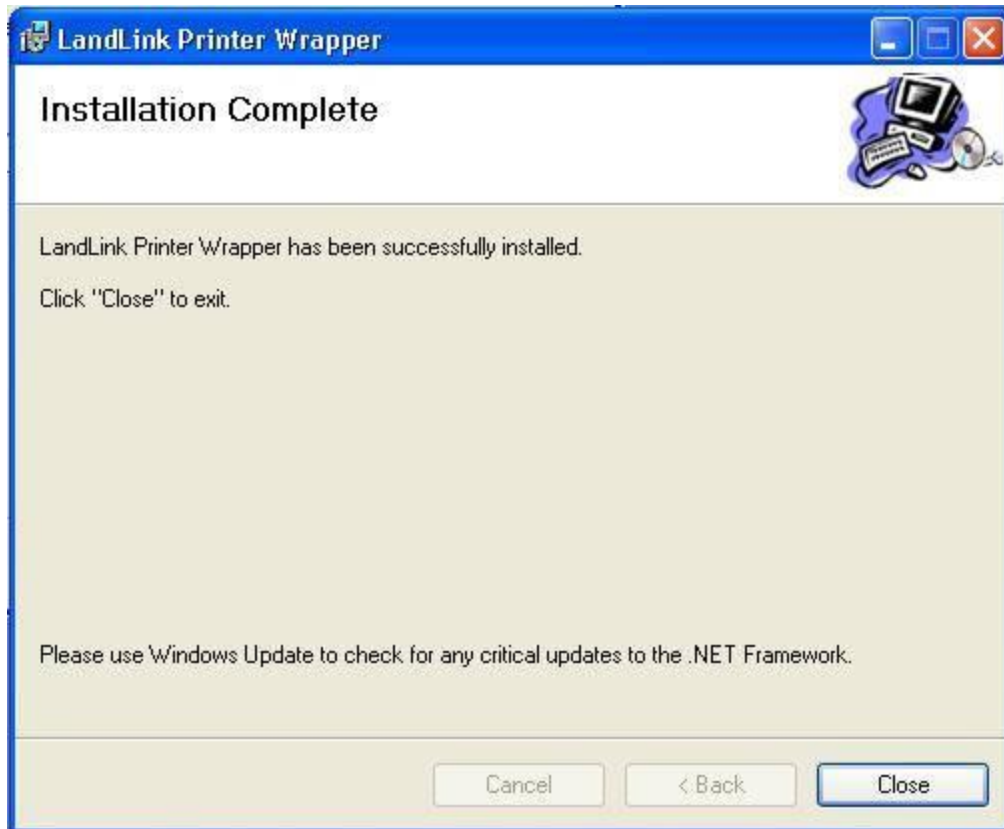

- To Confirm the Installation click Next

- The Printer Wrapper will start installing:

- At this point the installation will be completed. Click on the Close button to close.

- If the following bar shows up in your window with the “Blue Question Mark” symbol on the left side as shown below be sure to click on it and run that process as well:

- You will have to select “Run Active X Control” after you have clicked on the yellow bar above. It should look like this after you have clicked on it:

- The on the next dialog window click the Run button:

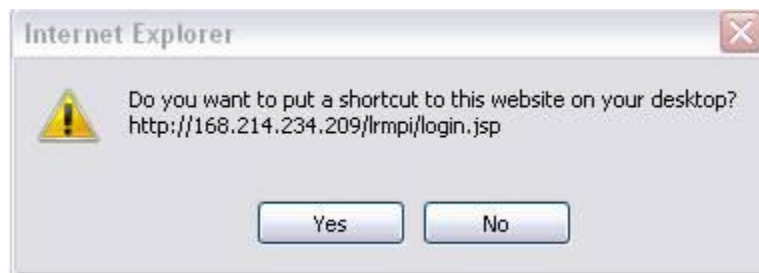

- You should now be viewing the main LandLink page as shown below:

A screenshot of the LandLink login form. It has a grey header with the word "Login" in white. Below the header, there are two input fields: "User ID:" and "Password:". Below the "Password:" field is a blue "Submit" button.

- Use the given User ID and Password to enter the program. These will be provided. An example would be RCD1111 or AUD1254 and your Password will start as just 'password'. Make sure 'password' (without the quotation symbols" is lowercase.
- *It is a good idea to save this as a shortcut on your desktop or add this address to your favorites. To save as a shortcut, Right-Click on the page and select Create Shortcut.

- It will then ask you if you are sure you want to create the shortcut. Click Yes.

- It will now be on your desktop as “LandLink – Land Records Management Login” along with your browser symbol. If, for instance, you use Google Chrome it would look like this:

This concludes your setup of the Marion County Recorder’s Office LandLink System. If you would like more information on how to use LandLink go to this page:
<http://www.indy.gov/eGov/County/Recorder/Pages/MCROITUPDATES.aspx> and open the

Using LandLink Public Inquiry link near the bottom of the page. Be sure to ALWAYS use your User ID and Password that is personally yours for security reasons and do not share that information with others.

Thank you!
